- 3 SCREW**
Special spring to keep the screw in place before fixing.

IRWIN® M-SYSTEM

2 in 1 tool designed for easy and fast fixing of roofing materials
i.e. fibre cement

HOW IT WORKS

- ① Push the body backwards and start drilling.
New IRWIN® Carbide Tip Design ensures an easy start on the fibre cement.
- ② After drilling the hole pull back the pilot drill and fix the hexagon-screw with the same tool.
- ③ Special spring to keep the screw in place before fixing.
No more adapters or additional power tools required for roofing applications.
For more convenient and safe work.
